**TEXTBOOK READING CH 4 - SPACE READ PAGES 77 - 87** (Skip PG 86)

Video - Watch 4 minute You Tube Video About "Space/Depth" - Draw and Label Handout to Match 6 Methods Shown

**www.ballstudio.net**

On handout, by skimming through the entire book, looking at the issue of illusion space and depth, find and list under each rectangle an example (title and page #) from other chapters that uses the method shown.

*Note: The examples should be the illusion of depth in an two dimensional artwork - painting, drawing, print- and not a photograph of something that has depth or dimension*

Looking only for "depth" : List (Artist, Title, Pg #) 2 paintings / drawings / prints / photos in our book that you feel :

*Have No Depth or Space*

1

2

3

*Have Confusing or Unusual Depth or Space*

1

2

3

*Have Very Clearly Defined Depth or Space*

1

2

3

---

Write the definition of **Negative Space** (Pg 68, 72)

From Other Chapters - and looking only for that : Find and List Artworks (Artist, Title, Page #) that have a STRONG presence of "**negative space**"

1. painting

2. sculpture

3. building - architecture

4. other - ( photo, craft, collage, etc )

---

From Other Chapters - and looking only for that : Find and List 2 Artworks (Artist, Title, Page #) that have a STRONG presence of "**shape**"
