Name _____

Link 1 - *Thought Co. What is Surrealism*

Complete first paragraph here :

Surrealism defies _____

_____ bizarre juxtapositions.

Surrealist Art Styles

“Visual artists in the Surrealism movement were a diverse group. Early works by European surrealists often followed the _____ tradition of turning familiar objects into _____ artworks. As the Surrealism movement evolved, artists developed new systems and techniques for exploring the _____ mind.

Two trends emerged: _____

(or, abstract) and _____.

Figurative surrealists produced recognizable representational art.

Biomorphic surrealists wanted to break entirely free from convention. They explored new media and created _____ and symbols.

Link 2 - *The Case for Surrealism*

Take many notes from 10 Minute Video
(Transcript link shows the text)

Assign one or more letters for each artwork on pages
1-12 **Magritte Surrealist Techniques.pdf**
